Objects and activities of the charity

The purposes of the charity as set out in its governing document.

The charity's objects are to relieve financial hardship by the provision of pro bono legal services and representation in relation to family law and the law relating to children and the provision of such other support as may be required to individuals who are:

- a) in custody;
- b) serving or who have served a prison sentence;

and who, through lack of means, would otherwise be unable to access such services to maintain contact with their children.

The main activities undertaken in relation to those purposes and to further the charity's purpose for the public benefit during the period.

The charity's main activity during the year was setting up and establishing the charity, its trustees and governance structure.

The Trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

Trustees' Annual Report for the period from 23 December 2019 to 31 December 2020

The short term and longer term aims and objectives.

Our mission is to support mothers in prison to re-establish the vital relationship with their children, which will help to minimise the effects that maternal incarceration has on the children and families.

Our Values:

- We believe that all mothers should have contact with their children, as long as it's in the best interest of the child.
- We understand the strength of the bond between mother and child, and the impact it has on both parties if this bond diminishes.
- We want to listen to the women in prison and understand what they need and how we can shape our work to support them.
- We want to collaborate with similar charities in order to provide the women with all the support they need, be it housing or rehabilitation.
- We want to make legal assistance more accessible for women in prison, as there is a lack of Legal Aid for that group.

Since our registration as a charity in November 2020, Not Beyond Redemption has made great strides. We are opening our legal clinics at HMP Send and are hoping to expand to Downview, East Sutton Park and Eastwood Park in the coming year. We aim to be in all women's prisons within 5 years.

We have partnered with Sidley, an international law firm, who are providing us with a team of 50 pro bono lawyers. Each of these lawyers will be trained by us in trauma awareness and family law. We will hold clinics in HMP Send from September 2021, providing advice on family law for the mothers in HMP Send to help ensure they have access to their children. All cases will be overseen by a supervising lawyer.

Responding to Covid-19

As lockdown has affected access into prisons, we have not been able to hold a clinic in HMP Send for over a year now. We have had to work around this and have collaborated with charities in the prison to get referrals. PACT has been a huge help and we are very grateful for their support. As the prisons are now re-opening, we will start our clinics in HMP Send on 10th September.

Throughout the pandemic we have been able to continue working from home and via video meetings. We have helped as many women as possible through telephone referrals.

We are now in the process of training a team of 50 pro bono lawyers in family law and understanding trauma, all of which is online. The ability of volunteers to train from their home or office has helped reduce our costs.

The impact of Covid-19 has also meant a backlog of court cases and an increasing remand population. We have had many women referred to us over lockdown and are urgently training up the Sidley team in order to expand our reach.

The main achievements and performance of the charity during the period.

The main achievements and performance of the charity during the period were setting up and establishing the charity, its trustees and governance structure.

Fundraising activities during the period.

The charity relies on grant aid from the donors identified in the accounts, whose support is greatly valued. There have been no other fundraising activities.

Trustees' Annual Report for the period from 23 December 2019 to 31 December 2020

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The directors of the company are also charity Trustees for the purposes of charity law. Under the requirements of the Memorandum and Articles of Association:

- Trustees are elected by members at the Annual General Meeting.
- At other times of the year, the Board of Trustees may appoint a person who is willing to serve either to fill a vacancy or as an additional Trustee, provided the election does not cause the number of Trustees to exceed the maximum permitted. A Trustee so elected shall hold office only until the next Annual General Meeting.

In an effort to maintain a broad skill mix, the Board of Trustees reviews its effectiveness regularly and in the event of particular skills being needed individuals are recruited to the Board. When recruiting new Trustees, we always seek to increase the diversity of the Board.

Financial review

The charity's financial position at the end of the period ended 31 December 2020

The financial position of the charity at 31 December 2020, as more fully detailed in the accounts, can be summarised as follows:-

	2020
	£
Net income	<u>2,250</u>
Unrestricted Revenue Funds available for the general purposes of the charity	2,250
Total Funds	<u>2,250</u>

Financial review of the position at the reporting date, 31 December 2020 .

The Trustees consider the financial performance by the charity during the year to have been satisfactory.

This is the first year of the charity's activities and the net income reported represents the difference between grants and donations received and the costs of establishing the charity.

Policies on reserves.

As this is the first year of the charity's activities and the charity has not entered into any spending commitments, the Board of Trustees have determined that a reserves policy is not required at this time.

The Board of Trustees will review this approach on an annual basis and establish a reserves policy as and when considered appropriate.

Availability and adequacy of assets of each of the funds

The Board of Trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Trustees' Annual Report for the period from 23 December 2019 to 31 December 2020**Plans For the Future*****Summary of plans for the future and the Trustees' perspective of the future direction of the charity.***

Not Beyond Redemption has a vibrant future ahead of it. We have spent this year formulating a programme that can be rolled out to all women's prisons in the UK. Once we have re-started our clinic in HMP Send, we will be able to expand to Downview, East Sutton Park and Eastwood Park - all prisons in the London area or Bristol, which will enable us to reach more women.

Collaborative work is very important to us as we view the issues faced by imprisoned mothers holistically. We work with The Prison Advice and Care Trust, St Giles Trust and Prison Advice Service to ensure we receive referrals and that the women are supported in other ways. We can also help with housing advice via our partnership with Duncan Lewis solicitors. We work closely with HMP Send itself, contributing to their efforts to improve the focus on children and families for women in prison and participating in their focus group on this.

We are determined to expand our reach to help more women year-on-year, across a wider geographical area. Our experiences this year of providing our services to women remotely have afforded valuable insights into how we can support women who we can't reach in person. In addition, the relationships we have formed with other charities in our sector mean that we are in a strong position to build contacts with more prisons and increase awareness of our activities.

We have been supporting women in prison for nearly four years and continue to gather data about how our work has a positive impact on their lives. We also are in the process of developing an advisory board of ex-offenders to receive feedback and ideas regarding services we already run and new initiatives. We make an active effort to maintain contact with our clients after lending our support, to gather data on how we can help ex-offenders rehabilitate their lives after prison.

To improve our efficiency, we have created a feedback survey that all the women will complete in order to gather data to refine our services to suit the women's needs. The data will give us information on how well our clients respond to our support services, the nature of their case, the outcome and any bespoke feedback they, their families or children report to us. We make an active effort to maintain contact with our clients after lending our support, so are able to capture data throughout the whole process.

Statement of the Directors Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

Trustees' Annual Report for the period from 23 December 2019 to 31 December 2020

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts - Small company provisions

The financial statements are set out on pages 6 to 14.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016)

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006. applicable to companies subject to the small companies regime.

This report was approved by the Board of Trustees on 13 September 2021.

The notes attached on pages 9 to 14 form an integral part of these accounts.

Not Beyond Redemption

Notes to the Accounts for the period from 23 December 2019 to 31 December 2020

1 Accounting policies

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to 31 December 2021, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Management has not made any judgements, apart from those involving estimations, in the process of applying the entity's accounting policies that have had a significant effect on the amounts recognised in the accounts;

There are no key assumptions concerning the future, or other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

Donated goods, facilities and services

Donated services and facilities (including seconded staff and use of property) are included in the accounts on the basis of the value of the gift to the charity.

All donated services and facilities are recognised as donation income when received, (provided the value of the gift can be measured reliably) and recognised as an expense with an equivalent value.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Not Beyond Redemption

Notes to the Accounts for the period from 23 December 2019 to 31 December 2020

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There are no risks to the charity's position arising from financial instruments.
